GENERAL INFORMATION

- * C3 is testing aspects of the new RMS. CAD is connected, and DC s Bauscher and Baily are working with MIS and Finance on the data export to the ambulance billing software. MIS is having trouble imaging the tablets.
- * DC Baily is updating Benton County's Natural Hazard Mitigation Plan and is attending training on the software associated with the City's Continuity of Operations Plan this week.
- * And end-of-probie ceremony for Steve Williams and Corey Turnbull was held on February 15.
- * The Department took delivery of the new ambulance.
- * Linn County is working on revisions to its ASA boundaries that may change (slightly) the border in the area of Highway 34 near the railroad tracks east of town and on Riverside Drive.

STATION 6 LT. REPORT

February Project Status

- Dryer vent has been cleaned out.
- Turn out washer drain cleaned
- Still working on cleaning behind refrigerators.

March Projects

- Inspect alarm system. They have been working on the system during remodel.
- Inspect sprinkler system---- Done
- Well water test—Full analysis
- Inspect furnace filters
- Clean carpets--- waiting until remodel is complete
- Station inspection

Rural Address Signs

- 2 Pending

Visa

- No charges

Information Sharing

- Joe Covey has completed all requirements and is now a Crew Leader.
- Kevin Sundbaum has completed all requirements of his first month probationary period. His training is going well, and he is ahead of schedule.
- Joe Mendoza, Andrew Burg, and Alex Sander are all very busy with paramedic school; but each is nearing completion.
- Beaver Plumbing was out and installed a new faucet and hot water dispenser in the kitchen. They also unclogged the bathroom drain and fixed a bad flush valve on the office area toilet.
- As we get closer to putting the tiles back in the weight room, Howard Jones recommended we pressure wash the tiles. He is investigating how we can keep these tiles clean.

Station Out of Service

No out of service date for reporting period.
