STATION 6 LT REPORT

New Business:

- Departure of 4 RRV's over the past 2 months. We are currently at 12 RRV's.
- Will be back at 16 following September academy. Shahalami set to return in September.
- Academy is scheduled for Sept 13-22.
- We have 2 new EMTs and 1 new A/O. We also have 2 more A/O Trainees that are less than a month from completion. This will get us back to being in-service on every shift on 166.
- Crew Leader position has taken a huge hit, and we are not close to getting any new CL's. With Shahalami's return and Potts progress, I anticipate having 2 CL's by the end of 2026, with 2 more closely following them. This will leave 136 OOS for the majority of the time through 2026.
